OWNER FINANCING. Discover a hidden gem with this secluded 20-acre property, tucked away in a private canyon that feels like your own secret haven. As you drive onto the land, the sense of tranquility and seclusion envelops you, offering an escape from the hustle and bustle of everyday life. The landscape is lush with mature trees, creating a natural canopy that enhances the property's serene ambiance. Dramatic rock outcroppings punctuate the terrain, adding to the canyon's breathtaking beauty and offering unique features for exploration and enjoyment. The property is thoughtfully equipped with two 200-amp electrical panels, providing ample power for any future developments or utilities. A homesite pad has already been cut out and semi cleared
